

## Vision

**U.S. Army Forces Command is the preeminent provider of expeditionary, campaign-capable land forces to Combatant Commanders.**

## Our Imperatives

- ★ Trained and ready
- ★ Dominant across the full spectrum of operations
- ★ Modular, network integrated, jointly interdependent
- ★ Postured for strategic response
- ★ Transforming to the future force
- ★ Living the Army Values

## Our Enduring Priorities

- ★ Train for the Warfight
- ★ Develop Leaders
- ★ Care for Soldiers and Families
- ★ Forge Partnerships
- ★ Preserve the All Volunteer Force

## Mission

U.S. Army Forces Command trains, mobilizes, deploys, sustains, transforms, and reconstitutes conventional forces, providing relevant and ready land power to Combatant Commanders worldwide in defense of the Nation both at home and abroad.

## Commander's Intent

Prepare, sustain, reset and transform conventional land forces to support Combatant Commanders' requirements. Institutionalize ARFORGEN as a process of systems to continuously synchronize resources to requirements. Complete modularity to enable the expeditionary Army. Employ the operational RC as an integral part of the modular force. Execute force integration actions to grow, organize and station the force. Integrate select future force capabilities to enhance the warfighting effectiveness of the current force. Execute command and control relationships to enable force generation and to assure the consistent execution of Title 10 functions. Ensure the well-being of our Soldiers and their Families in order to preserve the all volunteer force. Conduct strategic communications to maintain support of the American people and to empower Soldiers and Families. We will focus leadership, resources and effort on eleven focus areas:

- |               |                  |                            |                    |
|---------------|------------------|----------------------------|--------------------|
| ★ Leadership  | ★ Readiness      | ★ Total Force Utilization  | ★ Force Protection |
| ★ Training    | ★ Mobilization   | ★ Joint Interdependence    | ★ Well-Being       |
| ★ Maintaining | ★ Transformation | ★ Institutional Adaptation |                    |
